Poverty in South Africa is rife. AIDS has greatly inflated the problem. As a contribution that will endure way beyond the World Cup, Thembisa aims to raise at least £2500 to provide pre-school places for AIDS Orphans and other needy children in the Grahamstown area (Eastern Cape). Just £100 will pay one child's fees for a whole year including 2 meals every school-day. **These kids desperately need a chance in life.**
